Leading technologies for better tomorrow

PRODUCT PORTFOLIO

NETWORK SOLUTION
- Access Points & WIFI
- Switches
- Routers
- Racks
- Networking Solution (LAN/WAN)

NETWORK SECURITY
- Firewall & UTM
- Antivirus & DLP
- EDR & XDR Solution
- Email Security
- Web Security
- DLP
- Patch management

COMMUNICATION & COLLABORATION
- Audio/Video Conferencing
- Boardroom/ Auditorium Solution
- Interactive Display & Pannels
- Classroom Solution
- Projector

SOFTWARES & LICENCES
- Microsoft Licenses
- Adobe Licenses
- Server Licesnes
- Email Solution
- Google workplace
- Office 365

HARDWARE & PERIPHERAL
- Laptop / Desktop
- Workstation
- Server
- Tablets
- Printers & MFM

SERVER STORAGE & BACKUP SOLUTION
- NAS
- SAN

DATA CENTRE, CLOUD & COLOCATION
- SOC

SURVILLANCE SOLUTION
- CCTV
- Biometric
- Access Control
- PA Solution
- IBMS

TELECOM & SERVICES
- Smart ILL
- SIP Trunk
- PRI
- EPBX
- P2P-Leased Line
- SD WAN

Bringing Ideas & Innovation To Life Through Technology

MANAGED WI-FI & NETWORKING SOLUTIONS

OL Tech Solutions provides secure, scalable managed Wi-Fi services with seamless connectivity, centralized control, and real-time monitoring—ideal for offices, campuses, and enterprises seeking reliable wireless infrastructure. We offer large-scale deployments, offering advanced features like cloud management, AI optimization, and high-density performance: Brands associated Like **Cisco/Cisco Miraki, HPE Aruba, Ruckus, Ubiquiti UniFi, Entegra, Cambium, EnGenius** etc.

SOFTWARE AND LICENSES

OL Tech Solutions offers a comprehensive range of software and licensing services s like Microsoft Windows, Office 365, and Google Workspace, Adobe, ; virtualization and backup tools from VMware, Veeam, and Citrix; and development platforms such as Oracle, SQL Server, and Adobe Creative Cloud. With support for volume licensing, subscription models, and MeitY-compliant environments,

MANAGED CYBER SECURITY & SOC SOLUTIONS

OL Tech Solutions delivers comprehensive managed cybersecurity services, including **threat detection, firewall management, endpoint protection,** and **compliance support,** ensuring real-time defense against evolving digital threats across enterprise IT environments. Their firewall portfolio features industry-leading solutions such as **FortiGate, Sophos, Palo Alto Networks, Wi-Jungle, Cisco, Check Point, and WatchGuard,** offering deep packet inspection, intrusion prevention, and secure access control tailored to diverse business needs.

NETORK SWITCHES AND ROUTER

OL Tech Solutions delivers enterprise-grade network switches and routers from **Cisco, Aruba, Juniper, Huawei, D-Link, Microtic, Extreme , Cambium and Netgear**—ensuring scalable, secure, and future-ready IT infrastructure for businesses.

ANTIVIRUS & DLP SOLUTIONS

OL Tech Solutions offers a robust suite of cybersecurity services including antivirus protection, data loss prevention **(DLP)**, endpoint detection and response **(EDR)**, extended detection and response **(XDR)**, and web and email security. Their solutions are powered by leading OEM brands such as Symantec, **McAfee, Bitdefender, Sophos, CrowdStrike, Palo Alto Networks, Seqrite, Kaspersky, Trend Micro, CoSoSys Endpoint Protector, Safetica** & many more.

COMPUTING HARDWARE AND PERIPHERAL

OL Tech Solutions provides enterprise laptops, desktops, servers, and workstations, along with monitors, printers, scanners, UPS systems, and accessories from Dell, HP, Lenovo, Acer, and Canon—ensuring reliable, scalable IT deployments. Perepherals included Hadephones, Keyboard, Tablets etc.
